

# Round Rock Police Calls for Service at the Steeplechase Apartments, June 2009 to November 2009

**Police Calls for Service**

Notes:

1. The source for these data is RRPD's Computer Aided Dispatch database, which tracks calls as they come into the police department. As such, these data are limited in that actual call natures or dispositions may not be accurately captured. Traffic stops and animal-related calls are excluded.

2. In comparing one apartment complex's police service calls with another, more factors than simply the number and nature of calls must be considered. For example, a larger complex houses more people than a smaller complex and naturally would generate more calls for service.

Questions about this report should be directed to the RRPD Logistics and Research Unit, 218-6677 or [bcraytor@round-rock.tx.us](mailto:bcraytor@round-rock.tx.us).

Note: "Arrest Made" is among the possible dispositions of a police call. If this column does not appear in the table, it is because no police calls ended with an "Arrest Made" disposition during the period in question.
